Dear Sir / Madam:

Notice is hereby given pursuant to the requirements of Section 403(r)(6) (21 U.S.C. 343(r)(6) of the Federal Food, Drug and Cosmetic Act and in accordance with the requirements of 21 C.F.R. 101.93, that Underwood Fruit, P.O. Box 6633, Traverse City, Michigan 49696-6633 is marketing a dietary supplement bearing the following statements on the label and/or in the labeling:

TEXT OF CLAIMS

Do you know that cherries are a natural source of antioxidants? In fact, a recent scientific study found that the chemicals in natural tart cherries produce the same antioxidant effects as some commercially prepared products! What's more, the ingredients in cherries have been shown to help maintain normal joint function and support the immune system.

Taking just four a day supplies 25 mg of anthocyanins, the natural substances that give cherries their antioxidant power.

NAME OF INGREDIENTS THAT ARE SUBJECT OF CLAIM

Anthocyanins (from cherry fruit powder)

NAME OF SUPPLEMENT (INCLUDING BRAND NAME)

Cherry Rich Fruit Supplement Tablets and Chewable Wafers

The undersigned certifies that the information contained in this notice is complete and accurate and that Underwood Fruit has substantiation that the statements are truthful and not misleading.

Sincerely,

Robert Underwood, President
